Micellar «Aqua Viva»

The balanced formula of the Aqua Viva micellar water has been developed on the basis of active ingredients with excellent cleansing, toning, and regenerating properties. It dissolves decorative cosmetics delicately but effectively and gently removes makeup from your face. It pleasantly refreshes, makes your skin soft and silky, makes it glow. Your skin is fresh and hydrated, prepared for the subsequent skincare routine.

HiStudio – will make your hair smooth, soft, and strong. The formulas are enriched with natural oils for soft and elastic hair, proteins and keratin for hair restoration and hydration, vitamins and plant extracts for intensive hair care and nutrition.

Color & Shine

Shine and color protection!

Ceramides protect and envelope damaged hair, restore its structure. Shea butter fights hair dryness, protects curls from the sun, smooths hair and makes it shiny. Vitamins A, E, C, B5 strengthen hair follicles and boost hair growth, make hair silky and manageable.

Strong & Smooth

Luxuriant strong and healthy hair!

Caffeine strengthens hair roots, accelerates hair growth, and extends hair growth phases. Macadamia oil makes hair strong, shiny and silky. Honey extract is rich in lipids, amino acids, and proteins, which strengthen and help to repair extremely damaged hair.

Repair & Silk

Shine and nourishment for damaged hair!

Keratin restores damaged hair, makes it elastic, and protects it from damage. Argan oil nourishes hair from the inside out. It repairs damaged hair structure and helps to get rid of split ends. Cranberry seed oil makes hair soft, silky, and shiny and improves its structure.

Volume & Energy

Lightness and energy for fine hair!

Soy proteins moisturize and thicken your hair, make it look shiny and elastic. Cottonseed oil strengthens and nourishes the hair follicles, restores keratin scales, makes the hair strong and soft. Wheat germ extract strengthens your hair, saturates it with energy and useful microelements, and makes the hair elastic and silky.

Stage 1. Shampoo

Hair cleansing is the first and most important stage in the hair care routine. And shampoo is the best way to do it. A special detergent composition not only cleanses the hair but also cares for it and revitalizes the scalp.

Color & Shine – Color Care Shampoo

Strong & Smooth – Hair Strengthening Shampoo

Repair & Silk – Repair Shampoo

Volume & Energy – Volumizing Shampoo

Stage 2. Hair mask

Additional hair care helps to restore damaged hair, make it soft and shiny again. Use hair mask once or twice a week.

Color & Shine – Color Care Mask

Strong & Smooth – Hair Strengthening Mask

Repair & Silk – Repairing Mask

Hydrating & Energy – Hair Moisturizing Mask

300 g

24 months

Stage 3. Hair balm

It helps to seal all the useful components inside the hair. The balm covers the hair scales and makes the strands smoother and more manageable. Use after every hair wash.

Color & Shine – Color Care Balm

Strong & Smooth – Hair Strengthening Balm

Repair & Silk – Repairing Balm

Volume & Energy – Volumizing Balm

380 g

24 months

Stage 4. Leave-in hair products

The final stage is additional care: make hair combing easy, untangle your hair, keep it glossy and protected from the environment during the whole day. You can choose what your hair needs – heat protection, bright color, treatment, fragility reduction, or repair. And don't forget to pay special attention to the ends of your hair!

Washing Detergent «Alpix» Universal/«Alpix» Color

For white and colored synthetic and cotton fabrics. It does not damage or lighten the fabric fibers. Due to the combination of unique components, the colors remain intense. The laundry detergent has a color protection system that prevents the transfer of the dyes from one textile products to another. The detergent dissolves very well and doesn't leave any marks on the fabrics. Due to the enzymes included in its composition, the detergent effectively removes stubborn dirt, for example, coffee, tea, blood, herbs, fruits, chocolate, fats strains, etc. Its unique formula effectively removes stubborn and greasy stains. The detergent contains components that prevent the formation of limescale deposits. The detergent is effective at 20°C. The product does not contain non-biodegradable components which are harmful to the environment, such as zeolites, phosphates, phosphonates.
